Purpose of the policy

This policy confirms that Sibford School reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

1. Food and drink in the examination room

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)
- Any food and drink brought into the examination room whether by the candidate or the centre must be free from packaging and all labels are removed from drink containers (ICE 18.2)
- To enable invigilators to check these items quickly and efficiently:
 - food brought into the examination room by the candidate must be free of packaging and in a transparent container
 - drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Sibford School:

Food is allowed in the examination room only where there is an established medical reason to do so. Cough/cold sweets will be allowed into the examination room in the event that a candidate is mildly unwell, providing that they are free from packaging and all labels are removed.
