## Spring Term 1 - 2024 Clubs and Activities – Before and After School

Welcome to our Spring Term Clubs and Activities offer. Please note that **all** before school clubs incur a charge of £4.00 per session which includes breakfast. If your child stops attending the club the full terms' fees are still payable unless a replacement pupil can be found to take the place. If pupils would like to stay for tea this needs to be pre-booked at least 48 hours in advance and a small charge of £7.00 applies. For some of our clubs there are a limited number of places, which will be given on a first come first served basis.

**A register is taken in the supervised prep sessions, but the School Office should be notified if a pupil is unable to attend a club or activity and is going home.**
